Well done everyone, you all worked so hard over the last few weeks and I'm very proud of you. I hope you enjoyed the activities I set for you each week and you enjoyed them as much as possible. I know it was a big change doing school activities at home but I think you did a wonderful job. I hope you enjoy your last week of activities before the summer holidays. It's Active Week so it promises to be lots of fun. Hopefully the weather will be as nice as it has been.

Once again the activities below are just a guide and please do as much or as little as possible. If you are finding English and Maths difficult, have a look at the S.E.T section of the website and you will find some easier activities. If you are in any of Mrs. Stanleys groups and you would like to contact her please do so using the following email mrsstanleystabannon@gmail.com

Maths answers will be uploaded on Friday.

If you have any questions about your work you can email me at ms.carneystabannonschool@gmail.com

If you would like to email me one piece of work you enjoyed doing at home please send it to the email address above.

Thank you and I hope you are all well

Ms. Carney
