English Activity: All About Leopards

All About Leopards

Leopards, tigers, lions and jaguars are all called big cats. Big cats are different from pet cats. They are much bigger and they can roar.

Habitat

Leopards live in jungles, mountains, grasslands and even swamps! They live alone for most of the time.

Diet

Leopards hunt for food at night. They are carnivores and eat deer, fish, monkeys and birds. They are good climbers and watch their prey from trees. Then, they jump and pounce on their prey. After that, they drag the prey up to the branches and eat it in safety.
