

Monday 15th - Friday 17th June

Daily Activities

- *Tables: Revision*

English:

- **Reading:** Choose your favourite book from your book shelf and re-read it 😊

**Creative writing options:**

- Design your own Home Sports Day poster
- Continue working on your time capsule. Adding in things you are doing each week.

Maths:

- Revision activities

**Gaeilge: Activities below**

**PE:** Its ACTIVE WEEK! Time to get active. Check out your active week activities

Well done everyone, you all worked so hard over the last few weeks and I'm very proud of you. I hope you enjoyed the activities I set for you each week and you enjoyed them as much as possible. I know it was a big change doing school activities at home but I think you did a wonderful job. I hope you enjoy your last week of activities before the Summer holidays. It's Active Week so it promises to be lots of fun. Hopefully the weather will be as nice as it has been.

Once again the activities below are just a guide and please do as much or as little as possible. If you are finding English and Maths difficult, have a look at the S.E.T section of the website and you will find some easier activities. If you are in any of Mrs. Stanleys groups and you would like to contact her please do so using the following email [mrsstanleystabannon@gmail.com](mailto:mrsstanleystabannon@gmail.com)

Maths answers will be uploaded on Friday.

If you have any questions about your work you can email me at [ms.carneystabannonschool@gmail.com](mailto:ms.carneystabannonschool@gmail.com)

If you would like to email me one piece of work you enjoyed doing at home please send it to the email address above.

Thank you and I hope you are all well

Ms. Carney

English activities: Poster: You can use this as inspiration and draw your own on a sheet.

# Sports Day

Design a poster for your family advertising your Home Sports Day. Remember to include the date and time, where it will take place and anything your family will need to take with them.

## Sports Day

Sports Day is a fun morning, afternoon or full day where children take part in different sporting activities at school and families come to watch. It is usually held outside, on the school field or playground. It usually happens in the summer term, during May, June or July.

### Competition Time

- Some schools choose to have Sports Day just for fun and some make it a competition, where children score points for their team or school house.
- The winning team sometimes wins a trophy!
- You might earn a rosette, certificate or medal too.

### Which Sporting Activities Are There?

Every school chooses their own sport activities to include. There are many different races, including running, egg and spoon, space hopper, mini-hurdles, dressing up, skipping, sack, three-legged, bat and ball, obstacle and relay. Some schools also have an adults' race for parents and adult family members, and a toddler race for younger brothers and sisters.

Questions:

1. Where does Sports Day usually take place?

---

2. In what term does Sports Day take place?

---

3. What kind of activities could there be?

---

4. Do you like Sports Day?

### Section 1

$$13+6 = \square - \square$$

$$9+15 = \square - \square$$

### Section 2

Draw one line of symmetry on the square.

### Section 3

Continue the pattern.

### Section 4

Circle the ones in the following numbers.

56  
78  
184

### Section 5

A square has how many corners?

### Section 6

Tick the sphere.

### Section 7

Carry on the sequence.

45, 55, 65, , ,

### Section 8

If  $28 = 20 + 8$ , then  $31 =$

**Maths activity 2:** You can just write the answers to the sums in your copy instead of printing and draw the picture.

8 = green			6 = yellow			16 = pink		
				$8 + 8$				
			$10 + 6$	$11 + 5$	$9 + 7$			
		$7 + 9$	$12 + 4$	$3 + 3$	$14 + 2$	$5 + 11$		
		$15 + 1$	$6 + 10$	$2 + 4$	$13 + 3$	$3 + 13$		
			$16 + 0$	$8 + 8$	$1 + 15$			
				$6 + 2$				
				$2 + 6$				
		$5 + 3$		$1 + 7$		$3 + 5$		
			$8 + 0$	$4 + 4$	$6 + 2$			
				$7 + 1$				

**Challenge:** How many ways can you make 6 using addition? Have you found all the ways? How do you know? Can you work systematically?

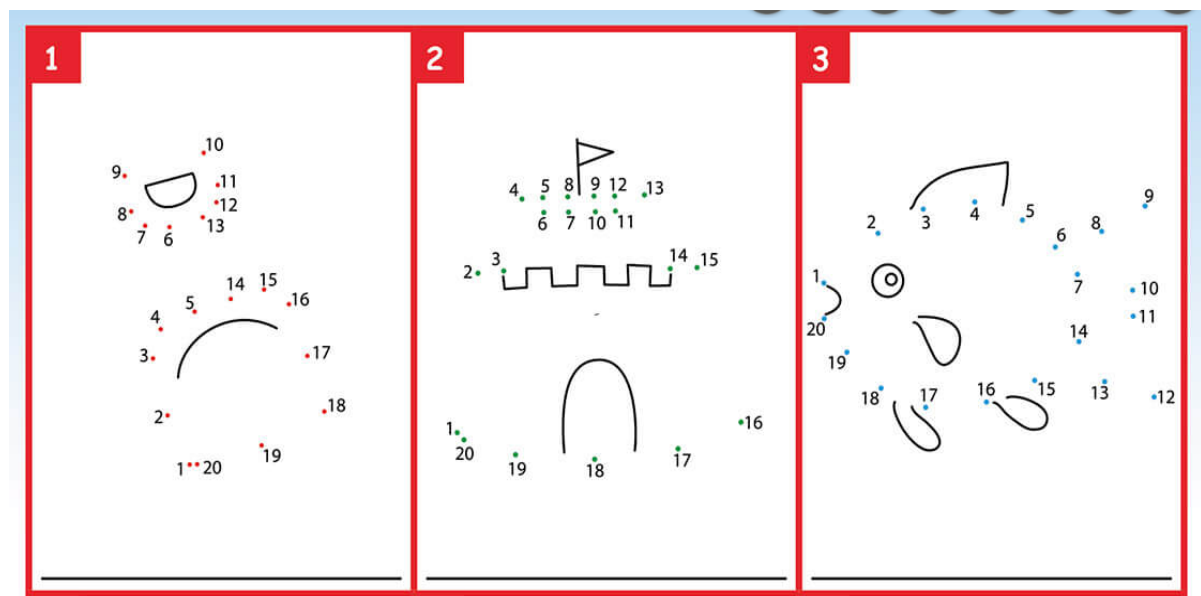

**Maths activity 3: Symmetry:** Draw a design but make sure each wing is the same or symmetrical. You can draw your own butterfly on a page

**Activity 4: Try making up your own tens and units sums**

**Gaeilge: Bí ag scríobh**

**lasc, caisleán, spád**

**Activity 2:**

### Leigh and sceál

Tá an ghrian ag taitneamh. Tá Mamaí, Daidí agus na páistí ar an trá. Tá madra ar an trá freisin. Cheannaigh Mamaí sú. Cheannaigh Roisín uachtar reoite. Tá sé te. Tá deoch ina lámh Seán. Tá an madra ag ól uisce.

(It is sunny. Mammy, Daddy and the children are at the beach. The dog is there too. Mammy bought juice. Roisín bought ice-cream. It is hot. Seán has a drink. The dog is drinking water.)

### **Activity 3**

**Mise ar an trá. Draw a picture of you at the beach.**

**Mise ar an trá**

### It's Active week. Have fun
