Remember to include lots of descriptive words and wow words (adjectives) Try keep it all in the past tense!

Go on a nature walk or hunt around your garden. Collect twigs, leaves, grass and stones. Or anything else you can find! What can you create? Have a look at these examples.

I'd love to see your finished pieces!

Remember if you have any questions or if you'd like to send me some of your work (or even just to say hello and let me know what you've been up to) you can email mrsduffystabannon@gmail.com.
