Cruinniú na nOg Saturday 13th June.

Ireland's national day of free creative activities for children and young people under the age of 18.
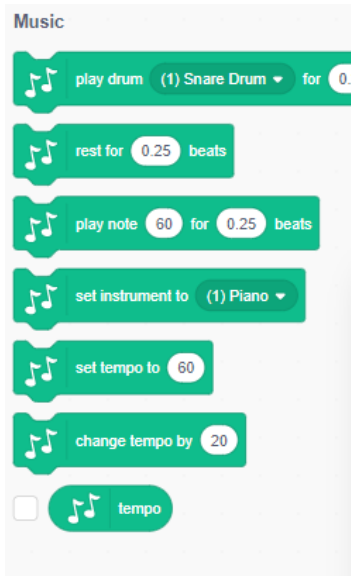

To co-inside with this celebration Scoil San Nioclás will celebrate Creative Week June 8th-12th

Let's get Creative!

Why not have a go at some of these activities

Drawing	Perspective Drawing **Drawing using a Vanishing Point in the Road** *What You Need* • White paper • Pencil • Ruler • Black marker • Crayons/twistables or colouring pencils • Black marker
Painting	**Salt Painting** *What You Need* • PVA glue (white glue that is runny like white paint) • Food colouring or watery paint • Table salt • White or black paper • Pencil for drawing.

Listen	Write your own song using this handy music tutorial. https://www.youtube.com/watch?v=Ko8-Edk_hVU&feature=youtu.be
Sing and Dance	This Is Me Our Creative Associate Aoibheann prepared this for all of us to sing and dance along to. You will need to enter the password creative to access the video. https://vimeo.com/412450392
Create!	Be a photographer! Learn some helpful tips on the creative schools website here: http://www.artscouncil.ie/CSTV/?app=true
	Create a Video Game App Create your own video game. Check out how to do it here: https://cruinniu.creativeireland.gov.ie/event/create-a-video-game/
English	1. Creative writing: Look at the PowerPoint 'Story Prompts' on the school website. Choose any one you like and write a story that is inspired by the picture. 2. Role Play Go into character as one of the characters in your story. Ask a family member to ask you questions. You must stay in role as your character during this activity.
Irish	1. An Samhradh

	Use the vocabulary you have learned over the past few weeks to write a poem titled 'An Samhradh'. It does not need to rhyme. 2. Cuardach Focal Find the summer words in the crossword 3. Chuir san Ord Ceart Put the summer words in alphabetical order
Maths 	5th Class Pg 35 4 and 5 Pg 36 6th Class Busy at Maths Pg. 35 Pg. 36
Sound in Scratch 	Create your own beats and music using Scratch Go to https://scratch.mit.edu/projects/editor/?tutorial=get Started Under the MY BLOCKS code button (in pink) there is a blue and white code button which looks like: This will give you the codes for making music. Follow the lesson plan to make the music. *Helpful hint – if you want to duplicate a block. Right click on the block and select duplicate. Maybe you could also make some music of your own! ☺
