Keep a journal about what you are doing during the Covid-19 school closure. Your journal can include pictures and sentences.

Maths: Weight

- Busy at maths topic weight p.121,122 and page 124 parts 1 and 3.
- Number: Use playing cards or a dice to make up some tens and units sums in your home work maths copy.

Think about the items in your cupboard at home. Compare things that are heavy and light. Find things that weight 1kg. Find things that weight more or less than 1kg. You will notice the size of a container doesn't mean it weights more or less. Find where 1kg is written on the item.

SESE:

- Project

Make a time capsule. This is something where you will keep things you made or did over the weeks we are off school. Then when you are older you can open it and remember how you spent this very strange time. You can add to this every day, every couple of days or once a week. Include a variety of things:

- drawings you have done
- colouring or cutting
- photos of you and your family over the few weeks or a drawing of your family
- write some sentences, words about things you are doing and how you feel or a letter to yourself when you are older. If you need help you could ask an older brother or sister or you parents to help you with the writing.
- Food labels or wrappers of things you like
- Trace around your hand or foot
- Newspaper
- Or anything else you would like
