- Project

Tips or info

For your project I want you to make a time capsule. This is something where you will keep things you made or did over the weeks we are off school. Then when you are older you can open it and remember how you spent this very strange time. You can add to this every day, every couple of days over once a week. I want you to include a variety of things including

- drawings you have done
- colouring or cutting
- photos of you and your family over the few weeks or a drawing of your family
- write some sentences, words about things you are doing and how you feel or a letter to yourself when you are older. If you need help you could ask an older brother or sister or your parents to help you with the writing.
- Food labels or wrappers of things you like
- Trace around your hand or foot
- Newspaper
- Or anything else you would like
