

Junior nature trail

Go on a nature walk and make four stops along your walk. Try and complete the activities as you go. Enjoy!

Stop 1.

1. Look all around you. Name two animals you see.
Name two plants you see.
2. Choose a plant to touch. What does it feel like? Draw the plant you chose.
3. What does the plant smell like? Do you like the smell?

Stop 2.

1. What is the same as stop 1?
2. What is different to stop 1?
3. Can you spot any trees? Can you identify any of the trees by their leaves?
4. Choose a tree and draw it. Draw its leaf. Maybe do a leaf rubbing.

Stop 3

1. What is the same as stop 2?
2. What is different to stop 2?
3. Can you find any minibeasts?
4. Where did you find them?
5. Can you draw 2 of the minibeasts you found.

Stop 4

1. What is the same as stop 3?
2. What is different to stop 3?
3. Can you spot any animal habitats? Name them.
4. What animals do you think live there?

When you get home discuss what you saw, felt and heard.
Finish your drawings and discuss which stop you enjoyed the most. Well done, you are now a nature expert.
